Villamartin, a residential enclave surrounded by golf courses and pine forests, is just 3 km from the Mediterranean Sea. It's an ideal location for golf enthusiasts, offering year-round play in excellent weather.

As a cosmopolitan, Mediterranean resort-style community in the southern Alicante province, 12 km southwest of Torrevieja, Villamartin is well-established with a diverse range of properties, including flats, villas with pools, penthouses, and townhouses, not to mention properties on the golf course itself. The community comprises various urbanisations such as Villacosta, Eagles Nest, Montegolf, Las Filipinas, El Presidente, Los Valencias, El Galan, and Blue Lagoon. At its center is a picturesque Spanish plaza and leisure complex.

Though slightly inland, Villamartin is a mere 4 km from some of the Costa Blanca's finest beaches along the Orihuela coastline, ideal for sunbathing, swimming, and water sports like sailing and windsurfing. The region has become a haven for golfers, thanks to its beautiful scenery and sunny climate, with three championship golf courses within a 12 km radius of Villamartin.

With over 300 days of sunshine annually, the Costa Blanca is known for its long, warm summers and brief winters, making it a sought-after destination.
