It can be found in an area of great, natural beauty, surrounded by vineyards producing local wines of the region, & only 15 minutes from Fortuna, famous for its natural hot springs. In fact, it is believed that the Balneario de Leana is one of the oldest natural thermal baths in all of Spain. There is also the landscape known as Lunar de Abanilla, a place located on a secondary road to Baños de Fortuna, the absence of vegetation & the excessive water erosion of the clay soils - badlands- a spectacular site to be seen! These landscapes contrast dramatically with the orchards of Mayoha, rich in all kinds of horticulture & fruit.
